ABOUT THE DEPARTMENT OF COMMERCE

FACULTY OF COMMERCE AND BUSINESS

The Department of Commerce formally set up as a separate entity in 1967, has imbibed the DSE tradition of exploring new frontiers of knowledge and innovation in academics. It came under the umbrella of Faculty of Commerce and Business in 1993. In its history spanning over 57 years, the Department has redefined commerce education in the country. The rapid growth of the Department of Commerce is reflected in its expansion as well as the novelty in its academic programmes. In addition to the traditional Ph.D. and flagship M.Com. programme, Department of Commerce initiated two master's degree level professional programmes, Master of International Business (MIB) and Master of Human Resource and Organisational Development (MHROD) as a response to market imperatives in 1995. In this span of twenty- nine years, these two programmes have come to be recognized as well-regarded Master's programmes in business administration in the country. The nomenclature of these two professional programmes have been changed to MBA (IB) and MBA (HRD) in 2015. The Department of Commerce has launched an MBA (Business Analytics) programme from Academic Year 2023-24 as well. The programmes have been received well received by the industry and will continue to nurture the need of the industry in the future as well. Below is the stalwart leadership of the Deans of the Faculty of Commerce and Business and Heads of the Department of Commerce:
